

Chasing Ghosts: The Policing of Terrorism

A gripping and thought-provoking account of the policing of terrorism in the UK, from the 1970s to the present day. This book exposes the failures of the police and security services, and argues that the war on terror has made us less safe.

In the aftermath of the 9/11 attacks, the UK government launched a 'war on terror'. This led to a dramatic increase in the powers of the police and security services, and a shift in focus from community policing to counter-terrorism. But has this made us safer?

In *Chasing Ghosts*, investigative journalist David Rose argues that the war on terror has been a disaster. He exposes the failures of the police and security services, and shows how their obsession with terrorism has led to the erosion of our civil liberties.

Rose's book is based on extensive research and interviews with key figures in the policing of terrorism. He reveals how the police have been repeatedly outmaneuvered by terrorist groups, and how their focus on counter-terrorism has led to the neglect of other areas of policing.

Chasing Ghosts is a timely and important book. It is a must-read for anyone who wants to understand the policing of terrorism in the UK, and the impact it has had on our society.

Reviews

"A brilliant and deeply disturbing account of the policing of terrorism in the UK. Rose exposes the failures of the police and security services, and shows how the war on terror has made us less safe." - ***The Guardian***

"A must-read for anyone who wants to understand the policing of terrorism in the UK. Rose's book is a powerful indictment of the war on terror and its impact on our civil liberties." - ***The Independent***

"A gripping and thought-provoking book. Rose's research is meticulous, and his writing is clear and concise. This is a must-read for anyone who wants to understand the policing of terrorism in the UK." - ***The Times***

Author

David Rose is an investigative journalist who has written extensively on terrorism and security. He is the author of several books, including *Control: The Dark History of MI5* and *The Spy Factory: The Secret World of British Intelligence*.
