One of the most important things that Dr. Polsky teaches is that dogs are not simply animals. They are sentient beings with their own thoughts,

feelings, and emotions. Just like humans, dogs need love, attention, and companionship to be happy and healthy.

Dr. Polsky also discusses the importance of communication between dogs and humans. He explains that dogs communicate through a variety of body language cues, and it is important to learn how to interpret these cues in [Free Download](#) to build a strong bond with your dog.

In addition to providing insights into the canine mind, "As Dog Thinketh" also offers practical advice on how to train your dog. Dr. Polsky believes that positive reinforcement is the most effective way to train dogs, and he provides step-by-step instructions on how to use this method to teach your dog basic obedience commands.

If you are a dog lover, then "As Dog Thinketh" is a must-read. This book will help you understand your dog's mind and build a stronger bond with your furry friend.
