

Dispatches From The Front Lines Of Homeland Security

A Must-Read For Anyone Concerned About America's Future

By City Lights Open Media

In the wake of the 9/11 attacks, the United States government embarked on a massive expansion of its homeland security apparatus. This has led to the creation of a vast and secretive surveillance state that has had a profound impact on American society.

Dispatches From The Front Lines Of Homeland Security is a searing indictment of this post-9/11 security state. The book brings together the voices of whistleblowers, activists, and scholars who have witnessed firsthand the devastating impact of these policies.

The contributors to this volume document the widespread use of surveillance, the erosion of civil liberties, and the militarization of law enforcement. They also show how these policies have been used to target dissent and suppress political activism.

Dispatches From The Front Lines Of Homeland Security is a must-read for anyone concerned about America's future. It is a powerful indictment of the post-9/11 security state and a call for a return to our core values of liberty and justice.

Praise for *Dispatches From The Front Lines Of Homeland Security*

"A searing indictment of the post-9/11 security state and its devastating impact on American society. This book is a must-read for anyone concerned about the future of our democracy." - Chris Hedges, author of *War Is a Lie*

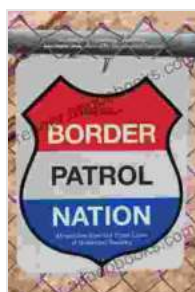

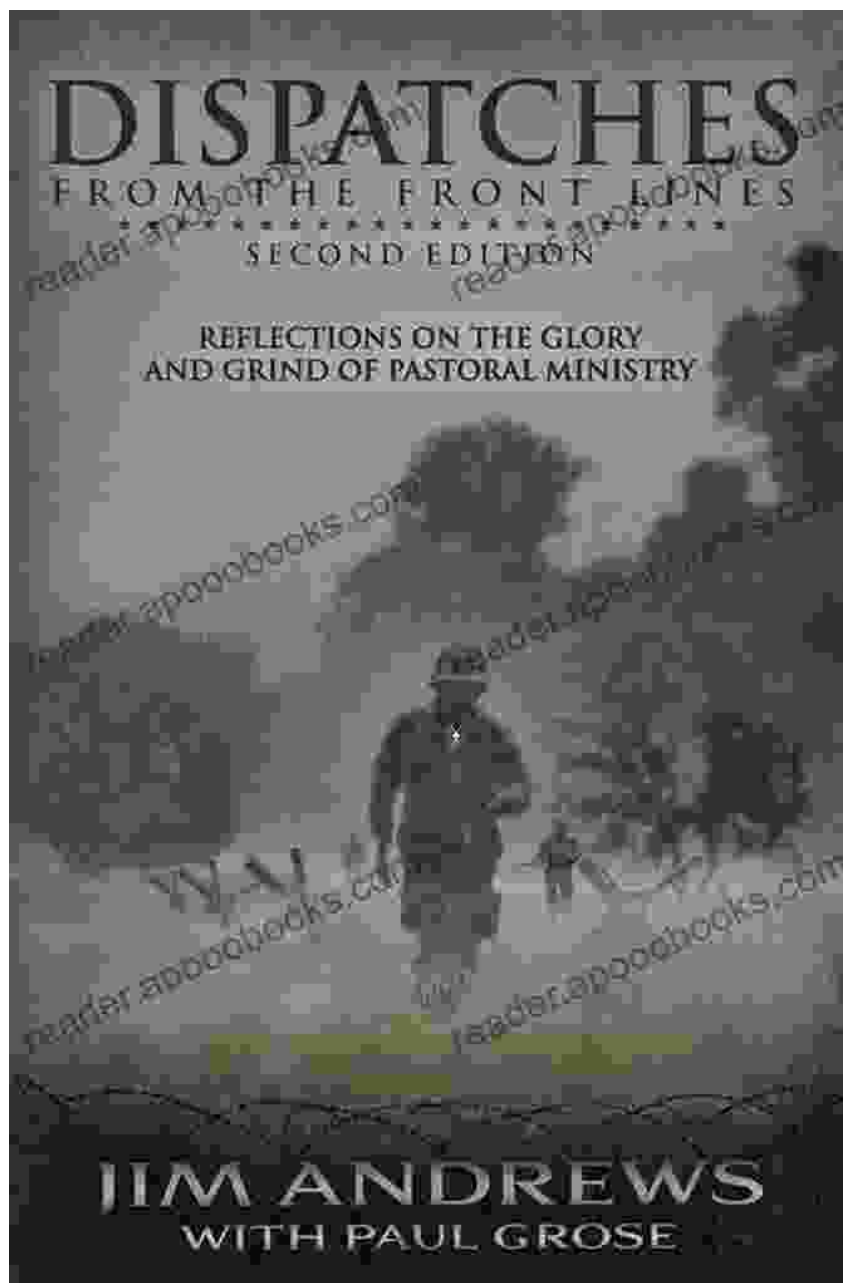

"An essential collection of essays that document the rise of the surveillance state and the erosion of our civil liberties. This book is a wake-up call for all Americans who care about the future of our country." - Edward Snowden, whistleblower

"A powerful indictment of the post-9/11 security state. This book is a must-read for anyone who cares about the future of our democracy." - Noam Chomsky, author of *Manufacturing Consent*
