About the Book

Growing Up Autistic: 50 Things You Should Know About Me is a powerful and moving memoir that offers a unique insight into the world of autism. Written by an autistic adult, this book provides an invaluable perspective on the challenges and triumphs of growing up with autism.

Through a series of 50 short essays, the author explores a wide range of topics, including:

- The challenges of social interaction
- The importance of sensory processing
- The struggles with executive function
- The power of self-advocacy

Growing Up Autistic is not only a valuable resource for autistic individuals and their families, but it is also an important read for anyone who wants to better understand the world of autism.
