What You'll Learn from This Book

- How to motivate students of all ages and learning styles
- How to help students organize their time and materials
- How to create a practice routine that will help students master their skills
- How to track student progress and make adjustments as needed

Why This Book Is Different

There are many books on the market that offer advice on how to help students succeed in school. However, *Help Your Students Get Motivated, Get Organised, and Get Practising* is different because it:

- **Is written by a team of experienced educators.** The authors of this book have spent years working with students of all ages and learning styles. They know what works and what doesn't.
- **Provides practical strategies that you can use immediately.** This book is not full of theory. It provides practical strategies that you can use immediately to help your students succeed.
- **Is backed by research.** The strategies in this book are backed by research on how students learn best.
