

# How Ordinary Americans Subvert An Unfair Economy

The American economy is rigged. The wealthy and powerful have taken control of our government and our economy, and they are using their power to enrich themselves at the expense of the rest of us. The result is a system that is unfair, unjust, and unsustainable.

## The Moral Underground: How Ordinary Americans Subvert an Unfair Economy by Lisa Dodson

But there is hope. Ordinary Americans are fighting back. They are finding creative ways to make a living, support their families, and build a better future for themselves and their communities. Their stories are inspiring and empowering, and they offer a glimpse of what is possible when we work together to create a more just and equitable economy.

### The book

This book tells the stories of ordinary Americans who are fighting back against an unfair economy. These are people who are finding creative ways to make a living, support their families, and build a better future for themselves and their communities. Their stories are inspiring and empowering, and they offer a glimpse of what is possible when we work together to create a more just and equitable economy.

The book is divided into three parts. The first part tells the stories of people who are finding creative ways to make a living. These are people who are starting their own businesses, working in the gig economy, or finding other ways to make a living outside of the traditional 9-to-5 job.

The second part of the book tells the stories of people who are fighting for social justice. These are people who are working to make our economy more fair and just. They are fighting for higher wages, affordable housing, and healthcare for all.

The third part of the book tells the stories of people who are building a better future for their communities. These are people who are starting community gardens, creating affordable housing, and working to make their communities more sustainable.

The stories in this book are inspiring and empowering. They show us that it is possible to fight back against an unfair economy. They show us that we can create a more just and equitable economy for ourselves and our future generations.

## **The author**

The author of this book is a journalist who has spent years covering the economy. She has seen firsthand the devastating impact that an unfair economy has had on ordinary Americans. She has also seen the inspiring ways that people are fighting back. This book is her way of sharing their stories with the world.

## **Reviews**

"This book is a must-read for anyone who cares about the future of our economy. It is a powerful and inspiring collection of stories that shows us how ordinary Americans are fighting back against an unfair system." - Robert Reich, former Secretary of Labor

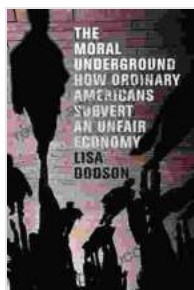

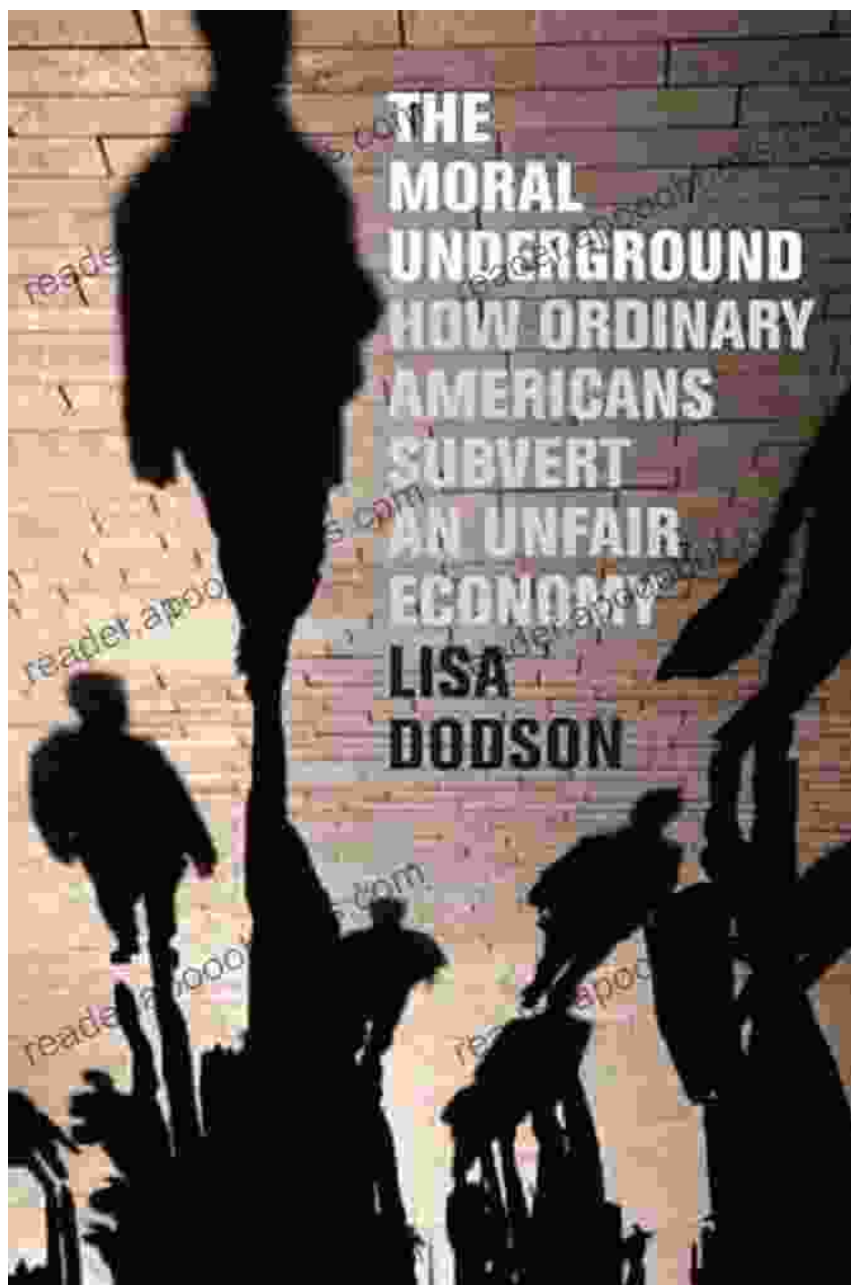

"This book is a beacon of hope in a time of despair. It shows us that it is possible to create a more just and equitable economy. We need to read these stories and be inspired to fight for a better future." - Naomi Klein, author of The Shock Doctrine
