Inside this captivating volume, you will embark on a visual journey through the rich history and cultural significance of these diminutive treasures. From miniature tea houses to exquisite dolls, food replicas to intricate animals, each piece showcases the extraordinary skill and artistry of Japanese craftsmen.

Unveiling the Secrets of Ki-Ji-Mono

Our book provides an in-depth exploration of the techniques and materials used in the creation of kiji-mono. You will learn about the different types of wood employed, such as hinoki cypress, Japanese cedar, and paulownia, and how their unique properties contribute to the beauty and durability of these miniatures.

Through detailed descriptions and stunning close-up photographs, you will gain insights into the intricate carving, joinery, and painting techniques that bring these miniature worlds to life. Discover the secrets behind the

creation of lifelike animal figures, delicate tea utensils, and enchanting scenes from Japanese daily life.

A Treasure Cove of Inspiration and Beauty

Whether you are a seasoned collector, a lover of Japanese art, or simply someone who appreciates the beauty of miniatures, our 'Japanese Wood Diminutive Collection' book is an invaluable resource.
