Joy Division Piece by Piece is a comprehensive and intimate portrait of one of the most influential and enigmatic post-punk bands of all time. The book, written by award-winning music journalist Jon Savage, tells the story of the band's formation, rise, and tragic end, through exclusive interviews with the band members, their friends, and family.

Joy Division was formed in Manchester, England, in 1976. The band's original lineup consisted of Ian Curtis (vocals), Bernard Sumner (guitar), Peter Hook (bass), and Stephen Morris (drums). The band's sound was characterized by its dark, atmospheric, and often dance-able rhythms. Joy Division's lyrics were often introspective and dealt with themes of love, loss, and alienation.

Joy Division released two studio albums during their brief career: Unknown Pleasures (1979) and Closer (1980). Both albums were critical and

commercial successes, and they helped to establish Joy Division as one of the most important bands of the post-punk era.

In 1980, Ian Curtis committed suicide at the age of 23. His death sent shockwaves through the music world and led to the dissolution of Joy Division. The remaining members of the band went on to form New Order, which became one of the most successful alternative bands of the 1980s.

Joy Division Piece by Piece is an essential read for any fan of the band or of post-punk music in general. The book provides a comprehensive and intimate look at one of the most important and influential bands of all time.

Exclusive Interviews

Joy Division Piece by Piece features exclusive interviews with the band members, their friends, and family. These interviews provide a unique insight into the band's creative process, their relationships with each other, and the events that led to Ian Curtis's suicide.

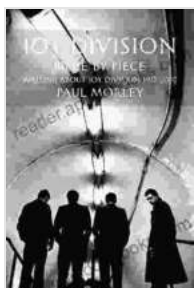

Rare Photos and Artwork

Joy Division Piece by Piece includes a wealth of rare photos and artwork. These images provide a visual record of the band's career, from their early days in Manchester to their final days on stage.

A Must-Read for Fans of Joy Division and Post-Punk Music

Joy Division Piece by Piece is an essential read for any fan of the band or of post-punk music in general. The book provides a comprehensive and intimate look at one of the most important and influential bands of all time.
