The poems in Mala of the Heart are inspired by the ancient tradition of mala beads. Mala beads are a string of 108 beads that are used for meditation and prayer. Each bead represents a different aspect of the divine, and as you recite the mantra associated with the bead, you are connecting with that aspect of the divine.

The poems in Mala of the Heart are like mala beads. Each poem is a bead on the string of your life, and as you read them, you are connecting with

different aspects of your own divine nature. The poems will help you to:

- Discover your true self
- Find your path in life
- Heal your wounds
- Open your heart to love
- Connect with the divine
