

Medieval Pets: A Journey into the Animal World of the Middle Ages

About the Book

Medieval Pets: A Journey into the Animal World of the Middle Ages reveals the fascinating world of animals in the medieval period. From beloved

companions to working animals, pets played a vital role in the lives of medieval people. This book explores the diverse range of animals kept as pets, from dogs and cats to monkeys and falcons, and sheds light on their significance in medieval society.

Kathleen Walker Meikle, a leading expert on medieval animals, draws on a wealth of historical sources to paint a vivid picture of the relationships between humans and animals during this era. She examines the practical and emotional reasons for pet ownership, the care and training of animals, and the legal and social status of pets. Meikle also explores the symbolic and religious significance of animals, revealing how they were used in art, literature, and ritual.

Medieval Pets is a groundbreaking work that offers a unique perspective on the medieval world. It will appeal to anyone interested in the history of animals, the Middle Ages, or the human-animal bond.

Praise for Medieval Pets

"A fascinating and informative book that sheds new light on the world of medieval pets. Meikle's scholarship is impeccable, and her writing is lively

and engaging. This book is a must-read for anyone interested in the history of animals or the Middle Ages." - *Choice*

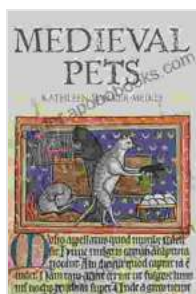

"Medieval Pets is a delightful and informative book that will appeal to a wide range of readers. Meikle's research is thorough, and her writing is clear and accessible. This book is a valuable contribution to the literature on the history of animals and the Middle Ages." - *Speculum*
