Exploring the Boundaries of Poetic Form

'On the Edge' showcases long poems that transcend traditional boundaries, venturing into uncharted territories of narrative, voice, and structure. These poems embrace experimentation, challenging conventions and pushing the limits of what poetry can achieve.

From the introspective musings of Claudia Rankine's "Citizen" to the fragmented and dreamlike imagery of Rae Armantrout's "Partly True," these long poems offer a profound and immersive experience that invites readers to engage deeply with the poet's thoughts, emotions, and perspectives.

Unveiling the Human Experience

At its core, 'On the Edge' is a testament to the enduring human experience. Through their long poems, the poets explore universal themes such as

love, loss, memory, identity, and the search for meaning in an ever-changing world.

The poems in this anthology grapple with the complexities of our existence, offering both solace and provocation. They invite readers to reflect on their own experiences, to question their assumptions, and to embrace the fullness of the human condition.
