Nancy Pelosi is one of the most powerful and consequential figures in American politics. As the first woman to serve as Speaker of the House, she has led the Democratic Party through some of its most challenging moments, including two impeachments of President Donald Trump. Pelosi is a master of the political game, known for her strategic brilliance and her ability to unite her caucus behind her. But she is also a deeply private person, and her inner life has remained largely hidden from the public.

In *Pelosi*, Molly Ball draws on unprecedented access to the Speaker to tell the full story of her life and career. Ball traces Pelosi's journey from her

childhood in Baltimore to her rise to the top of the Democratic Party. She paints a vivid portrait of Pelosi as a brilliant strategist, a tireless advocate for her constituents, and a loving mother and grandmother. But Ball also does not shy away from Pelosi's weaknesses, including her sometimes-abrasive personality and her tendency to be too cautious.

*Pelosi* is a fascinating and revealing look at one of the most important figures in American politics. Ball's deeply reported and intimate portrait of Pelosi will captivate readers of all political persuasions.

### **Praise for *Pelosi***

"Molly Ball has written the definitive biography of Nancy Pelosi. This is a must-read for anyone who wants to understand the rise of women in politics and the challenges facing our democracy today." —Hillary Clinton

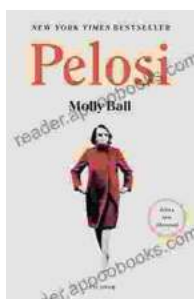

"A fascinating and revealing look at one of the most powerful women in American history. Ball's meticulous reporting and insights make this book essential reading for anyone interested in politics or leadership." —Bob Woodward

"Molly Ball has captured the essence of Nancy Pelosi, a woman who has defied expectations and shattered glass ceilings throughout her career. This is a must-read for anyone who wants to understand American politics and the role of women in shaping our country." —Madeleine Albright
