The restaurant was founded in 1919 by Rosa Mary Torres, a Mexican immigrant who came to San Antonio in search of a better life. Rosa started out selling tacos from a stand in front of her house. But her tacos were so good that she soon had a line of customers out the door.

In 1921, Rosa moved her restaurant to a small building on San Pedro Avenue. The new location was a success, and Rosa Cantina quickly became a popular spot for both locals and tourists.

Over the years, Rosa Cantina has expanded and remodeled several times. But the one thing that has never changed is the quality of the food. Rosa's recipes have been passed down from generation to generation, and they are still used in the restaurant today.

In 2019, Rosa Cantina celebrated its 100th anniversary. To mark the occasion, the restaurant published a book called *Rosa Cantina Revisited*. The book is a culinary journey through time, exploring the evolution of the restaurant and its menu.

The book is filled with beautiful photography and mouthwatering recipes. It is a must-have for any fan of Rosa Cantina or Mexican food.

The Evolution of Rosa Cantina's Menu

Over the years, Rosa Cantina's menu has evolved to reflect the changing tastes of its customers. In the early days, the menu was mostly traditional Mexican dishes, such as tacos, tamales, and enchiladas.

As San Antonio grew and became more diverse, Rosa Cantina began to add more Tex-Mex dishes to its menu. These dishes, such as nachos, fajitas, and burritos, were more appealing to the American palate.

Today, Rosa Cantina's menu is a mix of traditional Mexican and Tex-Mex dishes. There is something for everyone on the menu, from classic tacos to modern takes on Mexican classics.

The Legacy of Rosa Cantina

Rosa Cantina is more than just a restaurant. It is a part of San Antonio's history and culture. The restaurant has been featured in numerous books,

articles, and television shows. It has also been the setting for several movies, including the 1995 film *Desperado*.

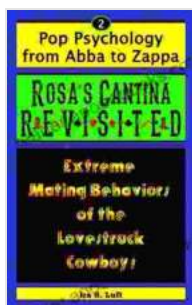

Rosa Cantina is a testament to the power of hard work and dedication. Rosa Mary Torres started out with nothing, but she built a successful business that has lasted for over 100 years. Her legacy is a reminder that anything is possible if you set your mind to it.
