Jane Castor made history when she was elected as Tampa Bay's first female mayor in 2019. Her journey to the top was not without challenges, but she never gave up on her dreams. This book tells the story of her remarkable life and career.

Castor was born in Tampa Bay in 1963. She was raised by a single mother, who worked hard to provide for her family. Castor attended public schools and went on to earn a degree in criminal justice from the University of South Florida. After graduating from college, she joined the Tampa Police Department.

Castor quickly rose through the ranks of the police department. She served in a variety of roles, including patrol officer, detective, and commander of the Major Crimes Unit. In 2009, she was appointed chief of police by then-Mayor Bob Buckhorn.

As chief of police, Castor oversaw a number of important reforms. She implemented a body camera program, created a new unit to investigate officer-involved shootings, and worked to improve community relations. She also led the department through several high-profile cases, including the arrest of the man who killed 49 people at Pulse nightclub in Orlando.

In 2019, Castor decided to run for mayor of Tampa Bay. She ran on a platform of public safety, economic development, and environmental protection. She won the election by a landslide, becoming the city's first female mayor.

As mayor, Castor has continued to focus on her campaign promises. She has increased funding for police and fire services, worked to attract new businesses to the city, and invested in affordable housing and environmental protection. She has also been a strong advocate for social justice and equality.

Jane Castor is a role model for women and girls everywhere. She has shown that anything is possible if you set your mind to it. Her story is an inspiration to us all.
