Are you tired of swiping right on every profile that catches your eye, only to be disappointed time and time again? If so, you need to read this book.

Swiping for Love in All the Wrong Places is a cautionary tale about online dating. The author takes you on a journey through her experiences with online dating, from the highs to the lows, the hilarious to the heartbreaking.

You'll learn about the different types of people you'll meet on dating apps, the red flags to watch out for, and how to avoid getting catfished. You'll also learn how to create a great profile, how to start a conversation, and how to keep it going.

Whether you're a seasoned online dater or you're just getting started, this book is a must-read. It's full of valuable insights and advice that will help you find love online.

Here's what people are saying about **Swiping for Love in All the Wrong Places**:

"This book is a must-read for anyone who's ever been on a dating app. It's funny, relatable, and full of valuable advice."

- The New York Times"

"Swiping for Love in All the Wrong Places is a cautionary tale that will make you laugh, cry, and cringe. But most importantly, it will help you find love online."

- The Washington Post"

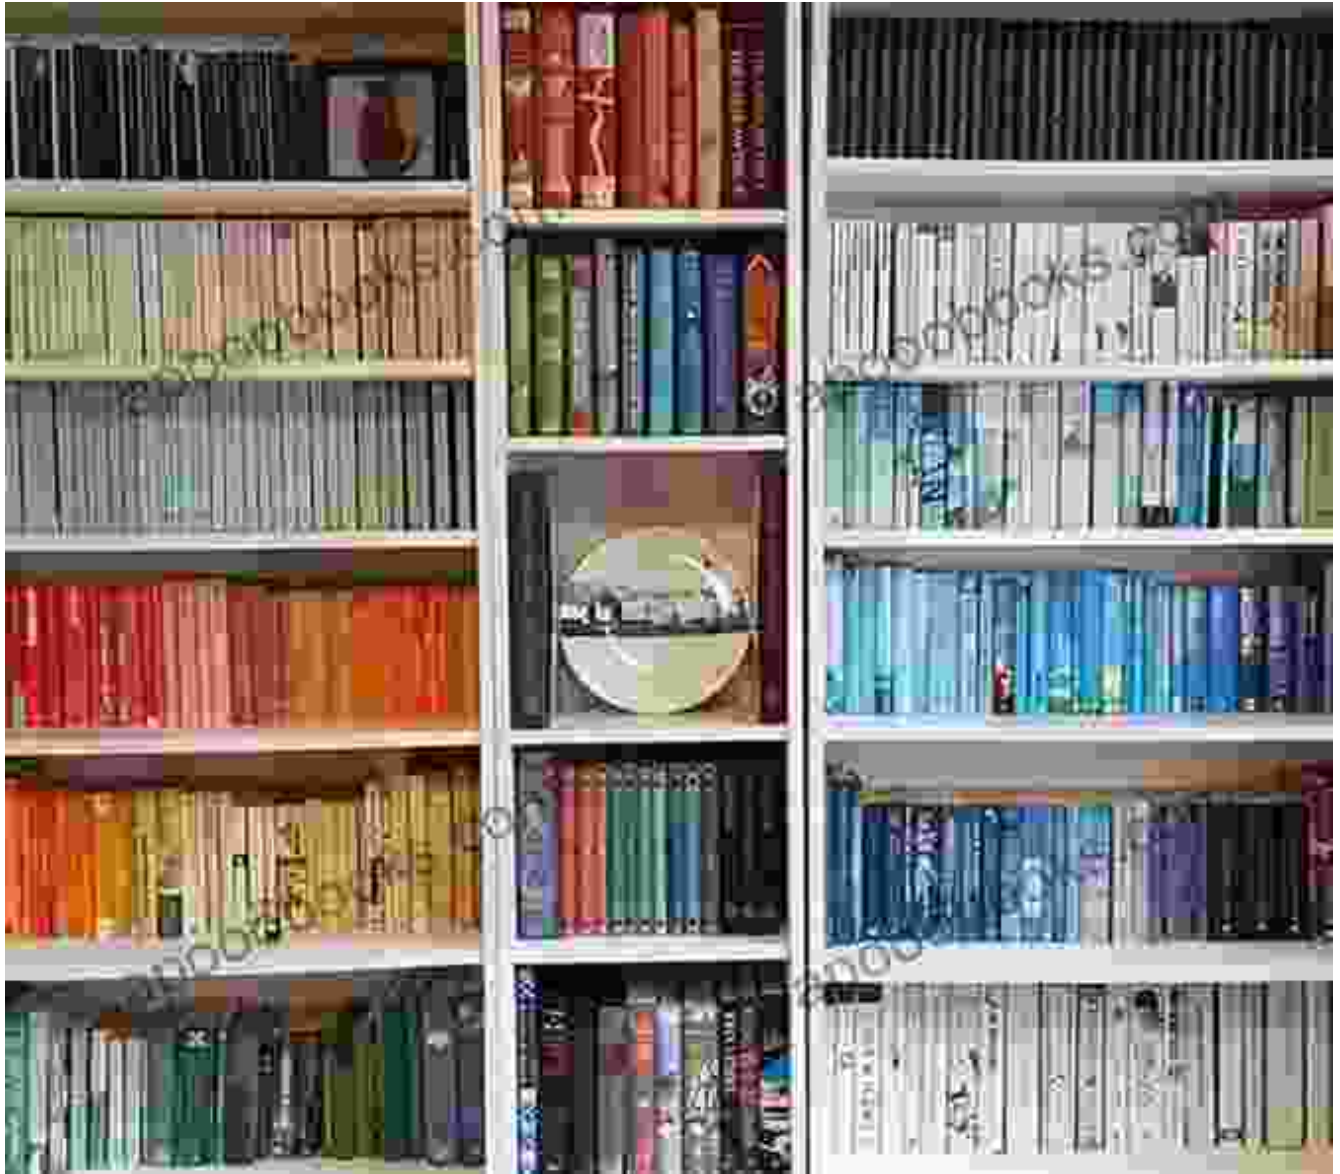

"This book is a game-changer for online dating. It's the only book you need to read if you want to find love online."

- Bumble"
