The Spencer family is not your average suburban clan. They share their home with three mischievous ghosts: Max, Nicky, and Tara. These friendly specters have been with the family through thick and thin, but now they're yearning for a change of scenery.

When Max discovers a mysterious list that promises an otherworldly vacation, the excitement reaches fever pitch. The Spencers pack their bags and prepare for an unforgettable journey.

Destination: Ghastly Glen

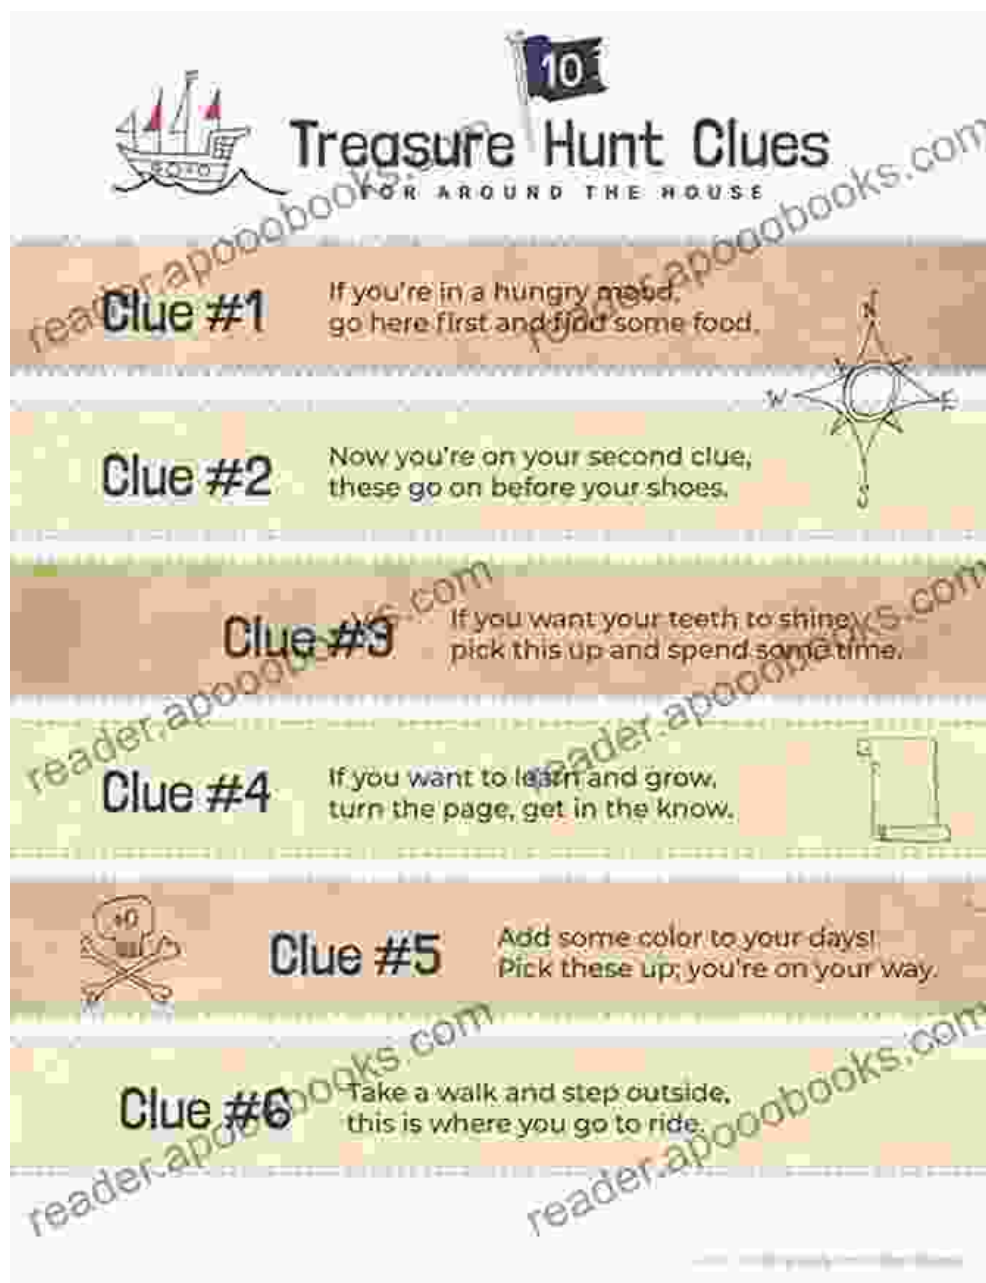

The secret list leads the family to Ghastly Glen, a strange and peculiar town nestled deep in the mountains. Here, ghosts and humans live side by side, and the supernatural is as commonplace as a morning cup of coffee.

The Spencers are welcomed by the enigmatic Professor Von Helsing and his eccentric group of ghost hunters. Together, they explore haunted

houses, encounter mischievous poltergeists, and witness the wonders and horrors of the paranormal world.
