

# Unrelated Undeterred: A Poetic Journey of Resilience and Discovery

By Kamalia Hasni

In a world that often feels chaotic and disconnected, it can be difficult to find our place. We may feel lost, alone, or unsure of our purpose. But even in the darkest of times, there is always hope. *Unrelated Undeterred* is a collection of poems that explores these themes of identity, resilience, and the search for meaning in a complex world.

Kamalia Hasni's poems are honest, raw, and deeply moving. She writes about the challenges she has faced in her own life, including racism, sexism, and poverty. But she also writes about the strength and resilience she has found within herself. Her poems are a reminder that we are all capable of overcoming adversity and finding our own unique path in life.
